ARTIFICIAL INTELLIGENCE ENGINEER

CLAIM YOUR DIGITAL BADGE

The Artificial Intelligence Board of America has partnered with CredBadge, a digital badging platform that allows you to manage, showcase, and share your digital badge effectively, highlighting your skills and certifications.

Once you pass your certification exam, you will be awarded a digital badge that can be easily shared and verified online. This enables you to demonstrate your validated knowledge and expertise to potential employers, colleagues, and recruiters.

ARTIFICIAL INTELLIGENCE ENGINEER
CERTIFIED CREDENTIAL BADGE

Unique Credential Code:	7992130181
Credential Awarded by:	Artificial Intelligence Board of America
Credential Awarded to:	Elena Davies
Credential Award Date:	June 07, 2024
Credential Expiration Date:	June 06, 2027

Elena Davies, AiE™

Significance of Digital Badge

Digital Badges help **showcase your professional certifications** and accomplishments to a global audience via email, LinkedIn, Facebook, and other platforms to boost your professional profile.

Digital credentials are increasingly preferred due to their ability to **prevent unauthorized use**, providing a positive solution to the issue of falsely claimed certifications.

Digital Certification Badges swiftly verify authenticity and requisite acquisition criteria, in contrast to paper certificates, which do not offer instantaneous verification.

Claim Your CredBadge

Log in to your Credbadge account at www.credbadge.com. Click the respective icon to choose your preferred social media platform to share your Digital Badge.
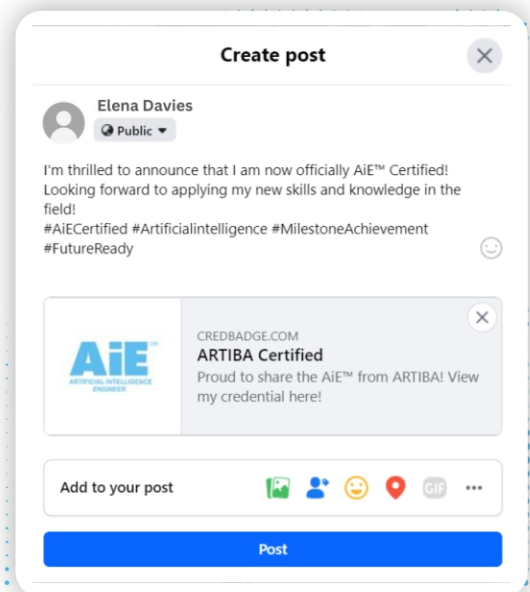

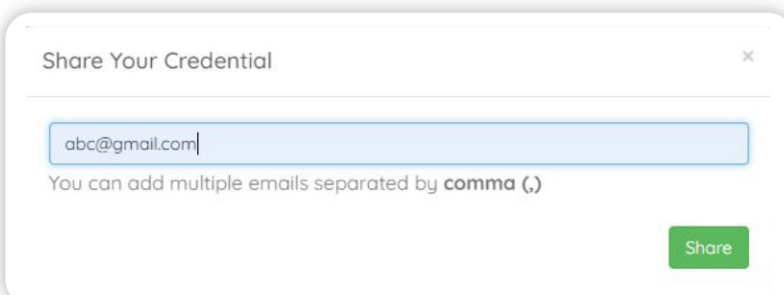

Share Your Digital Badge on X

When you choose "X" on the Credbadge platform, you will be redirected to X, where a popup with suggestive text will appear, similar to the image. Here, you have the opportunity to express and share your certification journey experience. Your followers can view your digital badge simply by clicking the link.

Share Your Digital Badge on Facebook

When you navigate to Facebook, a popup window will show up with suggested text, like the image provided here. Take this opportunity to share your certification journey. Once you hit **"Post",** your followers can view your Digital Badge via the link provided.

Share Your Digital Badge via Email

CredBadge also gives you the feature to share your digital badge with potential employers, colleagues, or recruiters, allowing them to authenticate your AiE™ credential.

Display Your AiE™ Credential on LinkedIn

Step-by-Step Instructions

LinkedIn profile includes a section named **"Add licenses & certifications"**, ideal for showcasing your AiE™ credential.

Step 1: From the home screen, click on your profile.

Step 2: Once you've opened your LinkedIn profile, select the **"Add profile section"** tab. A pop-up menu will appear with options to be added to your profile.

Step 3: In the **"Add Profile Section"** window, choose **"Recommended"**, it will give the option to add **"licenses & certifications"**.

Step 4: After clicking the **"Add licenses & certifications"** button, LinkedIn will open a new window where you can add certification details as appropriate to your status.
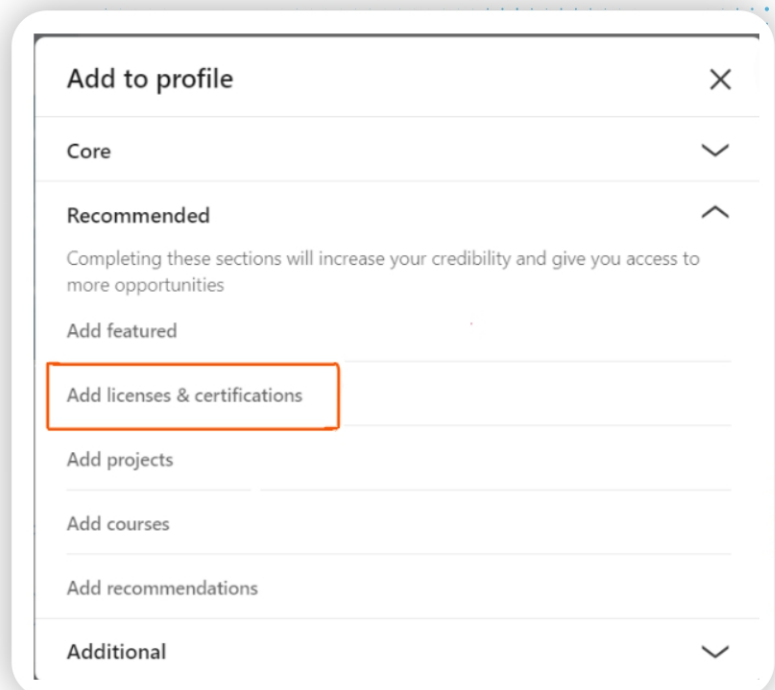

In the **"Name"** field, enter the certification name **"Artificial Intelligence Engineer (AiE™)"**.
In the **"Issuing organization"** field, enter **"Artificial Intelligence Board of America"**.
Add the **"Issue"** and **"Expiration Date"** of your credential.

In the **"Credential ID"** field, enter your unique credential code from your Credbadge account. Fill out the **"Credential URL"** section with the unique URL from your Credbadge account.

After completing your entry, click on **"Save"** button to include the credential on your profile. You'll see the added credential under the **"Licenses & Certifications"** section on your LinkedIn profile.
